## Litany

**Minister:** Children are precious gifts from God and we should love them. Let us remind ourselves that it takes a whole village to raise a child to compassion, competence, and character.

**People:** We celebrate their gifts and strengths. We pray for them. Lord, help us to hear the dreams and concerns of children, and to never give up on them.

**Minister:** We thank you for David, who found favor with you, and was anointed king in his youth. We also thank you for Josiah who became king at eight years of age, and whose reign was pleasing to you.

**People:** We thank you for the young maiden who instructed Naaman to seek the prophet. We also thank you for Miriam who led with her brother Moses, for Jeremiah who was called from his mother's womb, and for Jesus who confounded the chief priests and scribes at the age of twelve.

**Minister:** As the lives of children and youth are channeled to schooling and career preparation, help them find the time to read and understand your commandments, to know and to love Jesus Christ, and to be witness of your saving grace to their own generation.

**People:** O Lord, position significant and caring adults in their lives to guide them to discover the unique potential which you have placed within them.

**Minister:** Shield them from all hurt, harm and danger. Shelter them from abuse, low self esteem, drugs, pornography, prostitution and poverty.

**All:** May you help them to stay in school, to obey their parents, and to resist negative peer pressure. Give them important roles to play in the home, church, school and community. Give every family and community assets that ensure the positive development of children. Our hope for the future resides in our children. We pray that they thrive according to your purpose.
