Mr. Rucker,

On behalf of Highlands High School, we would like the opportunity to express our gratitude for your support and sponsorship this school year in meeting the needs of our students. Your support has helped reduce financial stress for many of our families and students. Most recently, you assisted with prom attire for both male and female students. They would not have had the opportunity to attend prom if not for your sponsorship. You made a positive impact. Our students felt proud and confident as they attended their Senior prom. Additionally, your support during the Holidays was amazing and brought joy to the hearts of students in our Mc Kenny Vento and Unaccompanied Youth student programs. Mc Kenny Vento families are struggling with homelessness. Unaccompanied Youth are students that have little to no support from their guardians or families. Once more Highlands High School would like to thank you for your Generosity in meeting the needs of our students and families.

Yet again **thank you** for your support, kindness, and love that you have given to our students, families and staff.

Sincerely,

Miriam Aguilar

Thank you! For your sponsorship and support! You've made a positive impact on our students in need.
